# Descriptions

## **Solo-Piano**

Experience your favorite songs as unique piano versions!  
Either as lively background music at the reception,, or as a dignified accompaniment of your dinner.

## **Piano & singer**

We offer a large selection of national and international singers from which you can easily choose your favorite voice! That is how we can guarantee the perfect setting for your wedding, exactly according to your wishes.

## **Piano & Sax**

In addition to cool DJ & sax sound, there is also the possibility of booking Julien together with the global demanded saxophonist Saintro P in their unique piano/sax duo - for a casual lounge accompaniment for the aperitif and dinner!

## **Piano & Cello | Piano & Violin**

As the cellist for the German legend Peter Maffay & the famous German band Bosse, Niklas Hardt regularly plays on major stages. Together with Julien on the piano, the two exceptional artists are going to enchant your guests with classically influenced variations of well-known pop songs. Julien also delights with creative and emotional arrangements together with his great selection of virtuoso violinists, as the perfect accompaniment for very special moments!

## **Piano & Harp**

The gentle, multifaceted sounds of the harp have a calming effect and invite you to dream and enjoy. With great arrangements of well-known pop songs, Julien, together with his harpist, inspire their audience, creating unique, emotional moments.

### **Jazz|Pop formations**

A formation, that gives the well-tried genres of jazz/pop/soul an innovative touch. Rhythmic guitar riffs, warm, cool jazz-pop vocals and crisp beats! Simply choose your favorite voice and the number of musicians you want and we will organize everything else!

### **Classical|Pop formations**

In a variety of formations, Julien delights his audience with classically influenced variations of well-known pop songs! As a cool accompaniment for the reception and dinner, for example our fantastic trio - consisting of piano, cello and violin - would be a perfect choice!

### **Live band**

A great live band should create the perfect atmosphere at your party? Thanks to our close collaborations with artists from all areas, you can draw on the full range and choose the kind of music that suits you best! Simply choose your favorite voice and the number of musicians you want and we will organize everything else. This means you are never tied to a fixed combination, giving you free rein to your musical needs - escalation guaranteed!

### **Walking Act**

With our walking acts, we offer a mobile live music alternative that breaks down the walls between musicians and the audience and offers your guests an interactive music experience. Whether listening to timeless classics while enjoying your cocktail, or dancing on the tables with our show highlights between courses - we always create the right atmosphere. From the golden era of swing to the classics of today, we offer something for every taste!

## **DJ**

Even at a young age, Julien has a wealth of experience on the turntables and is regularly able to create the right atmosphere at countless weddings and events as well as in clubs, hotels and après-ski bars. He delights his audience with his cross-genre repertoire and his flexibility and loves to create the right vibe for aperitifs and sundowners with cool funk/house music. His customers include large companies such as Swarovski, Mercedes-Benz, Porsche, MK Illumination, Liebherr and many more, well-known events such as the Hahnenkamm race in Kitzbühel, the Nordic Ski-World Cup 2019 and the White Pearl Mountain Days in Saalbach-Hinterglemm, exclusive locations such as the legendary Rosi's Sonnbergstuben in Kitzbühel or the Stöttlalm in Mieming as well as various luxury hotels such as the Alpenresort Schwarz\*\*\*\*, Hotel Klosterbräu\*\*\*\* and much more.

## **Live-Act Sax & DJ**

The charming act Saintro P brings a unique spirit and Balearic feeling to every wedding with his amazing saxophone playing. His live improvisations of the finest club and house sounds create a very special flair: whether you need a lively party atmosphere or a cool sundowner, Saintro P creates a tangible vibe. An exclusive act for exclusive events, that stands for everything that makes a hot party: sex appeal, funky grooves and the ability to combine the best mixes with a unique live experience together with DJ Julien

## **Live-Act Vocals & DJ**

Our artists Ricardo Bielecki, Simon Kräutler, Lena Schaur and Melina Neff are also available as vocalists together with DJ Julien. With the greatest classics of the last decades, right up to the current chart hits, they delight with their amazing voices and their immense repertoire and ensure a varied program at all times, in order to be able to frame your celebration in the best possible way.

## **Live-Act Electric Guitar & DJ**

Thanks to his impressive technique and musicality, guitarist Simon Eichinger won a prestigious international solo competition in 2020. Since then, over 150,000 people are following the charismatic guitarist on Instagram, admiring his fantastic skills. Together with DJ Julien, the exceptional musician skillfully combines live music and DJ sound, to create a rousing performance, with cool electric guitar solos in the midst of the guests.

## **Live-Act Violin & DJ**

With entertaining and fresh live shows, Nils Benjamin delights his audience at exclusive corporate events, Christmas parties, festivals and weddings, combining modern pop, hip hop and Latin music with virtuoso violin solos! The German violinist gets booked in various cities around the world and enchants people with his entertaining and likeable nature. In addition to cool show performances with his violin at the party, Julien and Nils Benjamin also inspire with cozy accompanying music for the reception and dinner.
