

Events

Thanks to our many years of experience in a wide variety of areas, we have managed to put together a large selection of artists from almost all areas. This means we have the opportunity to offer a complete package for any event, from which you can easily choose the constellations that suit you, whether it's live music or a DJ.

DJ

Cooling you down on hot summer days and heating you up when the mood is cool: Julien always provides the right music! When the sun scorches the terrace in summer and beads of sweat appear on your forehead, there is hardly anything more soothing than refreshing drinks and the right sound... and in winter, when the snow falls and the temperature drops to minus degrees, the right music is able to warm up your guests again. No matter when or where - with our large selection of the finest sounds in every genre, everyone will find the style that suits them best!

With Julien, you have the very best conditions to always remember your event with happy memories.

DJ & Live-Acts

A live DJ show like you've never experienced before! The concept: a DJ who heats up your guests together with fantastic musicians, with intoxicating beats and maximum energy. Our live acts cross oceans to perform all around the world with their dynamic, high-end performances - giving their audiences the ultimate live experience. With a great selection of vocalists, saxophonists, percussionists, violinists and electric guitarists, you will experience a magnificent show of the world's best live acts.

Premium event music, customized for any style!

Live Music

Immerse yourself in the beauty of music.

You love to relive the splendor of the 70s and 80s and want to dance to the great classics of music history? Or would you rather prefer the current charts of the previous years? And in addition to pop music, some hip hop would also be good? Don't worry - here, you'll always find what you're looking for! Simply listen to our great selection of the best artists or contact us directly with your personal wishes and preferences for an individual list of possibilities! Let Julien enchant you with emotional piano versions of your favorite songs, enjoy your aperitif with perfectly matched live music in any sizes or celebrate a wild party with one of our numerous party bands. This and much more awaits you when working with Julien.

Let's create an unforgettable event together!

Walking Act

With our walking acts, we offer a mobile live music alternative which breaks down the walls between the musicians and the audience, offering your guests an interactive music experience. Specialized in creating unforgettable moments, no performance is the same as before. Whether with timeless classics when having a cocktail or dancing on the table as a show interlude between the courses - we always create the right atmosphere. From the golden era of swing to the great classics of the present, we spontaneously put together the perfect setlist to round off every event. No matter your age, we have something for every taste!

Experienced in sharing our explosive joy of music and always ready to turn any occasion into an unforgettable party.
